

**Confirmation Letter Parents**

Dear

Re: - *name, dob, home address of child/children*

I am writing to confirm that you have made, or are intending to make a Private Fostering Arrangement in relation to your child.

Where parents make arrangements for other adults to provide care to their children, known as Private Fostering Arrangements, Staying Safe have a legal duty to assess and monitor the suitability and quality of these arrangements. This is to ensure that children are safe and that their welfare is promoted. I have enclosed a leaflet in this letter which explains in more detail what a Private Fostering Arrangement is and what Staying Safe will do.

If it is not your intention to make this arrangement or the arrangement has ended, please contact me immediately at the number above.

Yours sincerely
